### Age group confirmation

Following numerous queries around the differing age groups between Scottish Schools & Scottish Athletics events, the following should help clarify the situation.

A schools' athlete competes in the same age group for both Cross Country and Track events in any school year, eg 2024– 2025.

Their age group is determined by their age at the **end** of the schools' athletic calendar, August 31<sup>st</sup> 2025.

This does differ from UKA & SAL events.
