T20	4 x 100m Relay Final	Boys A
T21	4 x 100m Relay Final	Girls D
T22	4 x 100m Relay Final	Girls C

In all Secondary Schools' Relay events, if there are 2 heats, the first two and the two fastest losers will go to the final. If there are three heats, the first and the three fastest losers will be in the final. If four heats are required, it will be the first plus two fastest losers.

If a drop in numbers means no heats, the final will be run at heat time.
